Hi Lauren,

Yes, we are very aware of the policy. Michael and I are happy to connect with you tomorrow. What time works best for a conference call?

Thanks,
Alex

Michael and Alex,

I received this today from my colleagues in DC. I imagine you have seen it as well. Could either of you give me a quick call tomorrow to let me know how Region 5 will view this? As you can expect, I am most interested in the discussion on animal feeding operations at the top of page 6.

Thank you,
